The Integrated Peer-to-Peer Solution

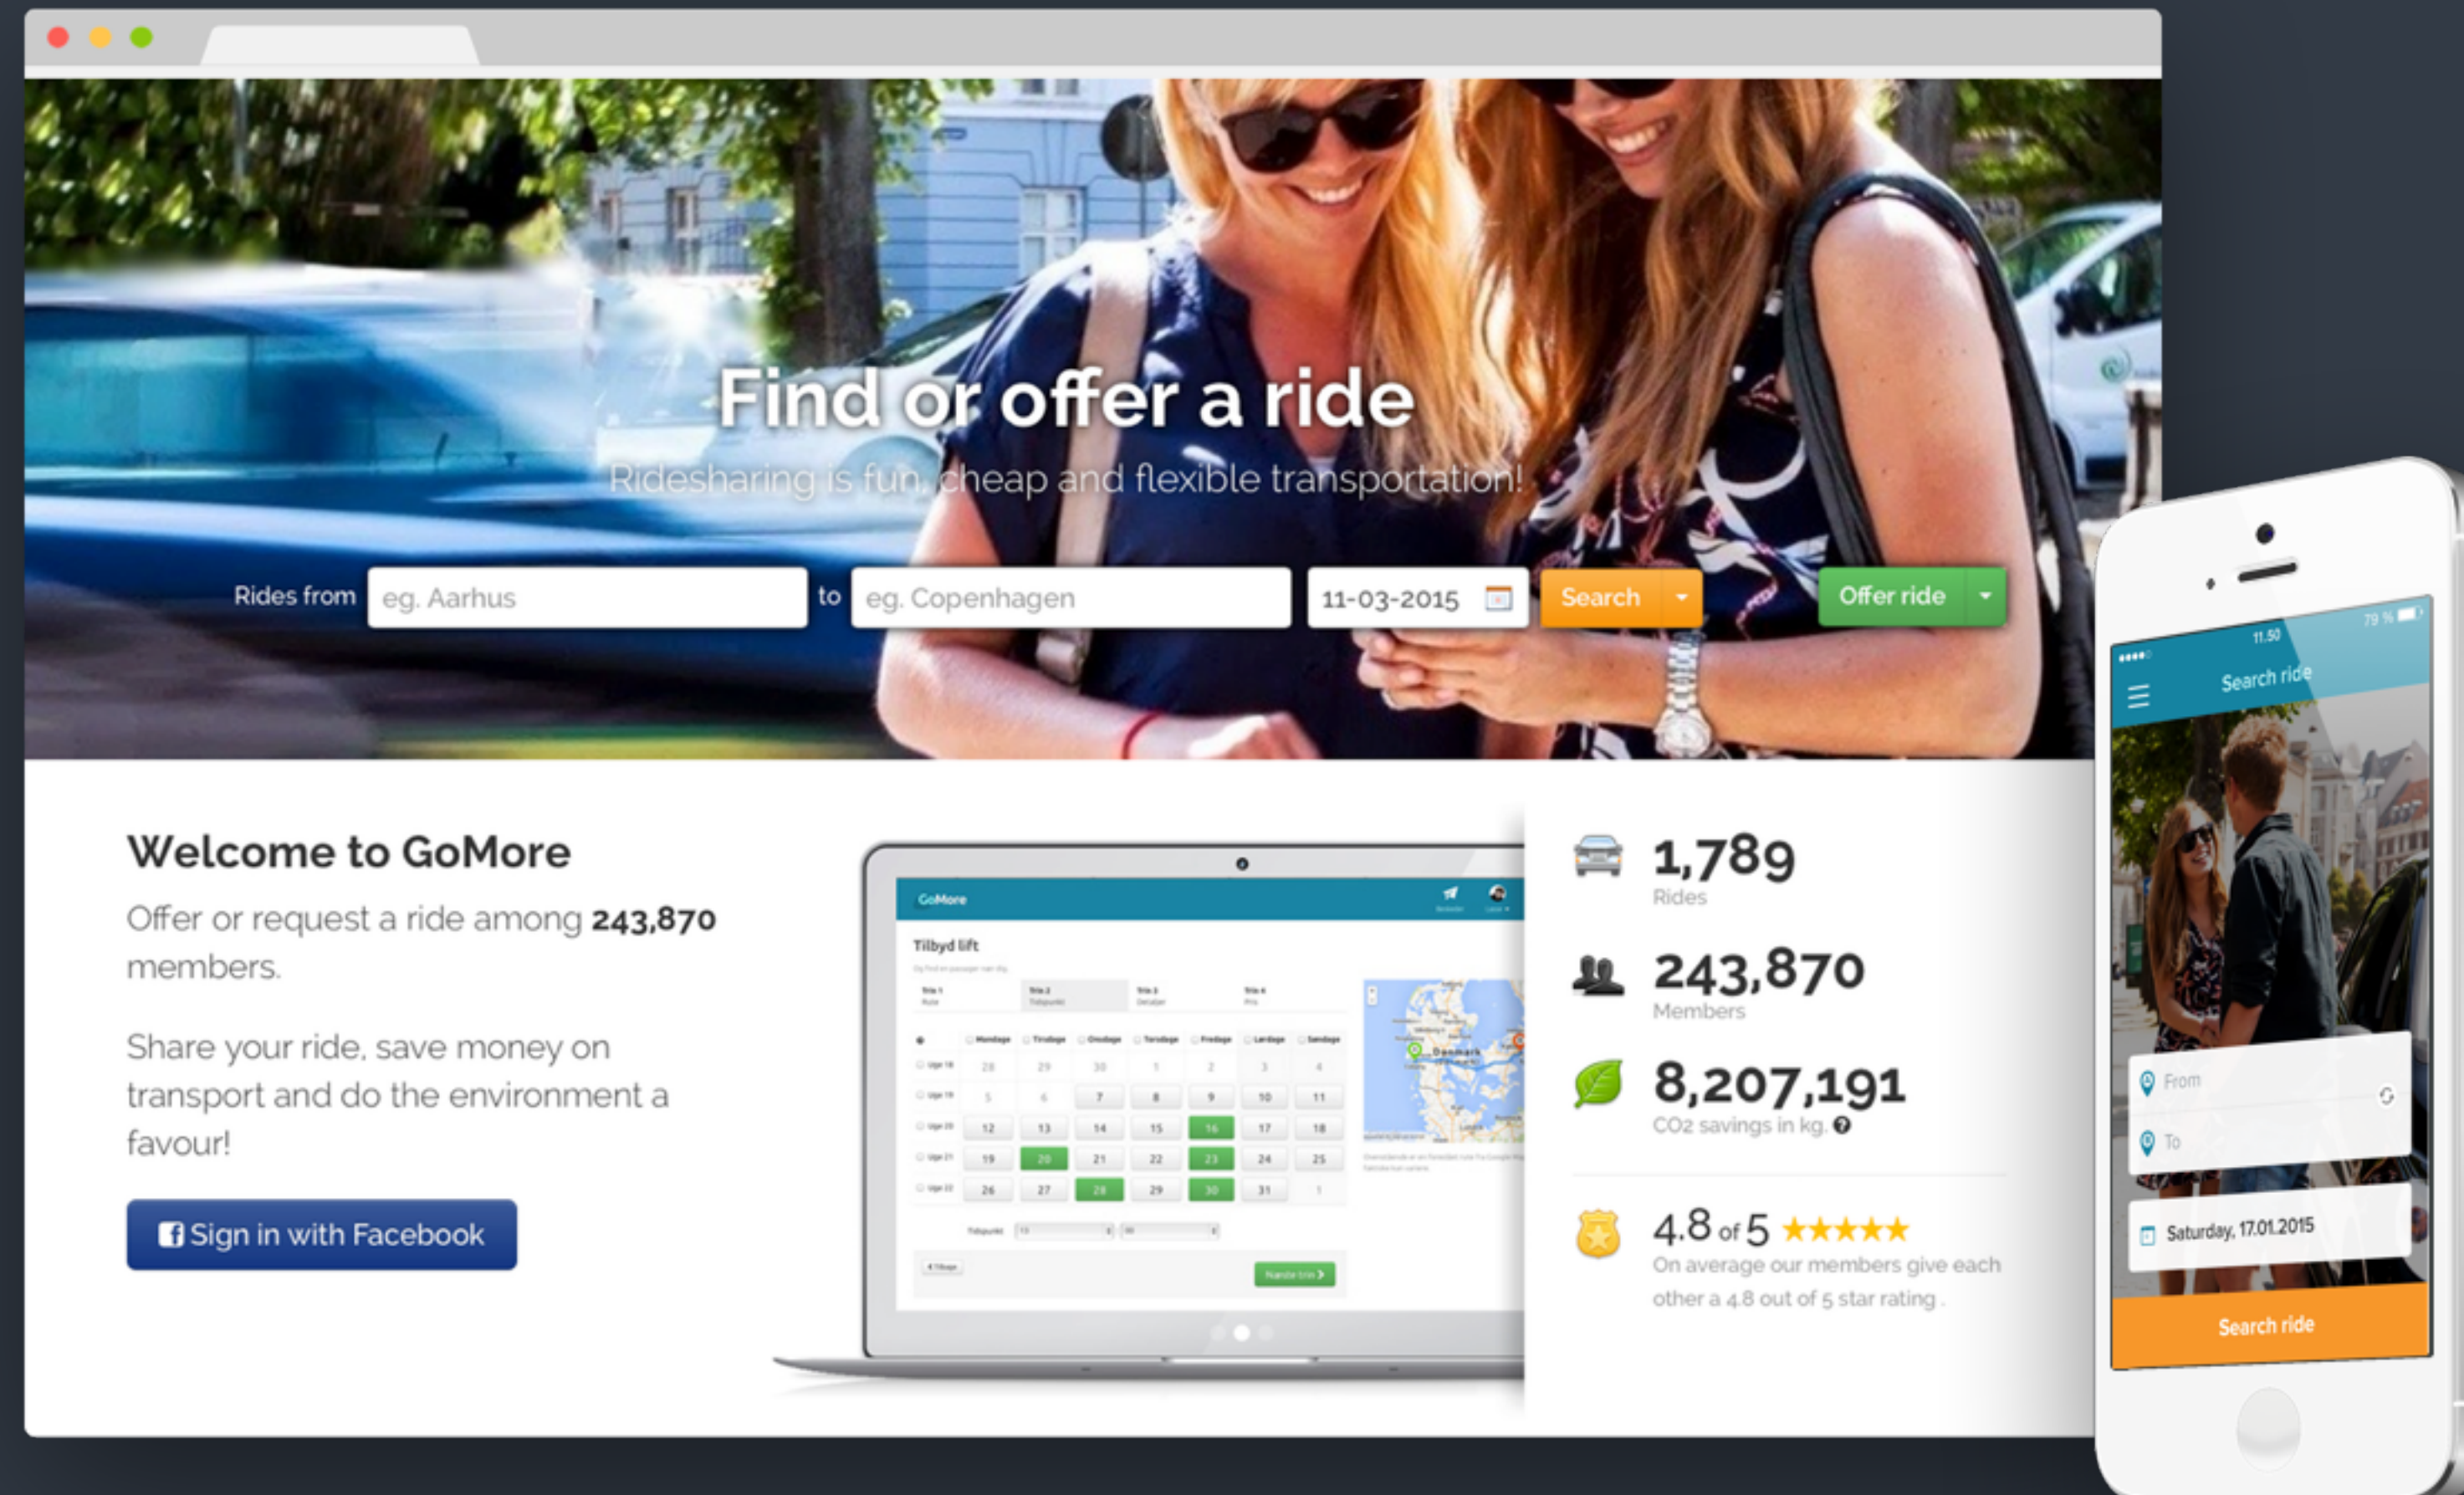

A photograph of a man driving a car, seen from the passenger side. He is wearing a plaid shirt and looking forward. The car's interior, including the steering wheel and rearview mirror, is visible. Three teal circles are overlaid on the image, each containing text. The first circle is on the left, the second is in the center, and the third is on the right.

Ridesharing

The image displays the GoMore website and mobile app interface. The website header features a banner with two women looking at a smartphone, overlaid with the text "Find or offer a ride" and "Ridesharing is fun, cheap and flexible transportation!". Below the banner is a search form with fields for "Rides from" (eg. Aarhus), "to" (eg. Copenhagen), and "11-03-2015", along with "Search" and "Offer ride" buttons. The main content area includes a "Welcome to GoMore" section, a calendar for "Tilbyd lift", and a statistics sidebar. The mobile app interface on the right shows a "Search ride" screen with fields for "From", "To", and "Saturday, 17.01.2015", and a "Search ride" button.
